AUSTRALIA

PIPER ALDERMAN

1. Australia has a safe and stable investment environment, strong rule of law and respect for property rights. The quality of governance in Australia is among the best in the world.
2. The Australian Government recognises that foreign direct investment has helped build Australia's economy and welcomes foreign investment. The Australian Government offers special visa pathways for entrepreneurial and high net worth individuals.
3. Australia remains one of the world's easiest places to do business* (14th overall and 4th of economies of more than 20 million population).
4. Australia has a strong and growing economy, a talented and diverse workforce and an abundance of safe haven assets which are inflation hedging and generate uncorrelated returns.
5. Australia is strategically located in the fast-growing Indo-Pacific region with access to existing stable and burgeoning markets and has strong geographic, trade and cultural links with the region.
